Beauty by Sweden

Because we're from Sweden we have a different view on beauty. For us, it's not only how you look, but how you live, feel and act. It's a way of life; to be healthy, enjoy beautiful skin, express yourself and realise your aspirations. It's about being confident in who you are and finding balance in life.

A beauty company unlike any other

**From a small office in central Stockholm
to our position as a global beauty
company present in over 60 markets,
Oriflame's social-selling business model
has gone from strength to strength and
is today the largest European beauty
company selling direct.**

It all started in 1967 when two brothers, Jonas and Robert af Jochnick, together with a friend, Bengt Hellsten, started a company making high quality beauty products inspired by Swedish nature, available and affordable to everyone. Robert and Jonas af Jochnick had a love and respect for nature that became part of our heritage from day one – we were one of the first social-selling beauty companies to develop products with ingredients sourced directly from nature.

Today, we continue to use plant extracts with the latest scientific research, creating safe products with eco-ethically screened ingredients. As a company, we are deeply committed to sustainability and to reducing our environmental footprint.

The very nature of social-selling is built upon the power of personal relationships and recommendations. We believe in sharing earnings with the people who recommend us, and have over 50 years of experience in empowering people from all over the world to fulfil their dreams and build their own business.

Togetherness, Spirit and Passion

From the very beginning, the Oriflame global community has been all about our core values of Togetherness, Spirit and Passion. We believe that people who work together and share the same goals achieve greater results. Our community is made up of people with a can-do spirit and a passionate desire to make a difference, both in their own lives and for others.

Together we can make a difference

We value our social responsibility in our business practices and towards our consumers, Brand Partners and suppliers. We also believe in extending our social responsibility beyond our immediate network, and that by supporting those children and young women who are most vulnerable, we can give them the chance to turn their dreams into reality

We have always believed in empowering children through education, such that, they can turn their dreams into reality. Oriflame's association with Deepalya dates back to 2006.

We believe in taking the responsibility of leaving a positive impact on the society and making the world a better space for our children. Till now, Oriflame has sponsored the education of more than 7000 girls.

In addition to this Oriflame has helped Deepalya to construct a 3-storeys school building, in Nuh, one of the most backward districts of Haryana. The school will support in providing education to over 3000 children in the coming years. We continue to strengthen our commitment in this area to ensure a better future for our children.

Make money today and fulfil your dreams tomorrow

We believe that starting your own business should be affordable and accessible to everyone. Our business opportunity offers you low-risk entrepreneurship and more. You can start your own business, enjoy earning money from day one and become part of our global community.

You decide on how to combine your beauty business with your life and you choose whether you want to build a part-time or full-time business, and we will support you with the tools and training you need to succeed!

CHAPTER 2

How to earn with Oriflame

Learn about the essentials of the Oriflame Opportunity and the four ways you can earn.

Earn today, and build a business for tomorrow

Before we go into detail about how to earn money with Oriflame, let's take a look at the four different ways you can earn.

1. Immediate Profit

This is what you earn from selling products.

3. Bonuses

Rewards you can earn for developing Leaders and helping them to succeed.

2. Trade Discount & Incentive

You can earn a Trade Discount on Personal sales and incentive based on your Group Sales

4. Cash Awards

You receive a one-time Cash Award every time you reach a new title in the Success Plan, starting with the Director title.

Calculations

As an Independent Oriflame Brand Partner, you will see your actual earnings in your My Pages account. Calculations are done for you automatically, which means you never have to calculate on your own - unless you really want to.

The examples in this chapter and the chapters that follow are intended to illustrate how we calculate your earnings. Be aware that actual earnings and sales will vary from person to person and will depend upon the skills of the seller, the time and effort put in and other factors.

1. Immediate Profit

You earn the difference between the Customer Price (the price you see in the catalogue or online) and the Brand Partner Price (what you pay for the products).

Recommend and sell products

When you first start out as a Brand Partner, you'll learn about our products and the world of beauty, and use your expertise to recommend products to your family, friends, colleagues and acquaintances.

We supply you with **plenty of tools** to help you make sales – the Oriflame catalogue, product guides, and our many digital tools.

Calculating Immediate Profit

There are two ways to calculate Immediate Profit. You can either subtract the Brand Partner Price from the Customer Price, or multiply the Customer Price by 20%. The examples to the right show both methods.

Example – selling one product

You sell one NovAge Ecollagen Wrinkle Power Day Cream.

Customer Price: ₹2,500
Brand Partner Price: ₹2,000

Immediate Profit:
₹2,500 - ₹2,000 = ₹500

Or: ₹2,500 x 0.20 (20%) = ₹500

Example – selling skin care sets

You sell one NovAge Ecollagen Wrinkle Power set.

Customer Price: ₹7,900
Brand Partner Price: ₹6,320

Immediate Profit:
₹7,900 - ₹6,320 = ₹1,580

Or: ₹7,900 x 0.20 (20%) = ₹1,580

Imagine selling four sets in one Catalogue Period – your earnings from Immediate Profit would increase to ₹6,320.

Selling sets

Selling sets offers your customers a complete solution to their beauty, wellness and skin care needs. Sets are also worth **20% more Bonus Points** and selling them will help you earn more money.

2. Earnings

When you invite other people to become Brand Partners and help them to sell and earn, you increase your own earning potential too.

You can earn a **Trade Discount (TD) & Incentive** from 3% to 22% on your Personal and Group Sales

Your Earning is determined by three things:

1 Bonus Points

Bonus Points (BP) are assigned to every Oriflame product based on its price. Higher priced products and sets have more Bonus Points.

The Bonus Points from your Personal Sales and the sales of everyone in your Personal Group* are added together during each Catalogue Period. The total Bonus Points determine the Trade Discount / Incentive level you qualify for at the end of each Catalogue Period.

Bonus Points are converted to a Trade Discount / Incentive level according to the chart below.

Bonus Point Conversion Chart:

Bonus Points	Trade Discount / Incentive
10,000+	22%
6,600 – 9,999	18%
4,000 – 6,599	15%
2,400 – 3,999	12%
1,200 – 2,399	9%
600 – 1,199	6%
200 – 599	3%
0 – 199	0%

*Your Personal Group includes all the Brand Partners sponsored directly by you, as well as Brand Partners they sponsor – but not Brand Partners who have themselves reached the 22% Trade Discount / Incentive level or their downlines

2 Trade Discount / Incentive level

Trade Discount level refers to the percentage that you can get based on your volume of personal purchase.

On your Personal Sales, you get Trade Discount and Group Sales, you earn incentive**

3 Business Volume

Business Volume (BV) Is the amount on which your income is calculated basis a factor including catalogue price, taxes and other charges. This may be subject to change by company from time to time.

Here is the example to show incentive calculation.

You	First Line	Difference
 12%	 1,200 BP = 9%	12% - 9% = 3%
	 400 BP = 3%	12% - 3% = 9%
	 800 BP = 6%	12% - 6% = 6%

** The Brand Partners you sponsor directly are your First-Line Brand Partners (or First Line). The Brand Partners below your First Line are referred to in Levels. So, the Brand Partners sponsored by your First Line are called your Second Level, those sponsored by your Second Level are your Third Level and so on.

Example: Calculating the Business Volume of a NovAge Ecollagen Wrinkle Power set.

Product	Business Volume
	<p>₹7,900 (Customer Price) multiplied by 0.57 (57%) = ₹4,503</p> <p>The NovAge Ecollagen Wrinkle Power set has a Business Volume of = ₹4,503</p>

See Earnings grow!

The three examples on the following pages show how you can earn a Trade Discount on your personal sales and incentive from the sales of your Personal Group.

For the purpose of these examples:
1 Bonus Point = ₹38 Business Volume.

How to calculate your Earnings:

- 1
- Start by counting how many Bonus Points you’ve sold for.
- 2
- Determine the total Bonus Points for your Personal Group by adding your Bonus Points with the Bonus Points of the Brand Partners in your Personal Group. Use the Bonus Point Conversion Chart to find your Trade Discount/ Incentive level.
- 3
- Multiply your Trade Discount level with the Business Volume of your Personal Sales. This is the Trade Discount you will earn on Personal Sales.
- 4
- Then take the Bonus Points of each of your First-Line Brand Partners and their Personal Groups and use the conversion chart to convert the Bonus Points into a Incentive level for each First-Line Brand Partner.
- 5
- Subtract the Incentive level of each First Line Brand Partner from your Incentive level. The difference is the incentive Multiply this with the Business Volume of your First-Line Brand Partners and their Personal Groups.
- 6
- Trade Discount and Incentive added together equals your total earnings.

Bonus Point Conversion Chart:

Bonus Points	Trade Discount / Incentive
10,000+	22%
6,600 – 9,999	18%
4,000 – 6,599	15%
2,400 – 3,999	12%
1,200 – 2,399	9%
600 – 1,199	6%
200 – 599	3%
0 – 199	0%

EXAMPLE 1:

Earn ₹1,368

This example shows how inviting five people to become Brand Partners and training them to sell products can increase your income.

Here, each new Brand Partner sells for **100 Bonus Points** and so do you.

Step-by-step calculations

1

You sell for **100 Bonus Points.**

2

The total Bonus Points for the Group is:
100 (your Bonus Points)
+ **500** (your Group’s Bonus Points)
= **600 Bonus Points**, which converts to a 6% Trade Discount / Incentive level.

3

Multiply your Trade Discount level with the Business Volume of your Personal Sales
6% x 38 x 100= ₹228

4

The **100 Bonus Points** of your First Line converts to a Inccentive level of 0%.

5

The difference between your Incentive level and your First Line’s is
6% - 0% = 6%, which means you earn 6% Incentive on the Business Volume of their sales,
6% x 38 x 100 x 5 = ₹1,140

6

Add your Trade Discount and Incentive for your total earnings.
₹28 + ₹1140 = ₹1368

Earn ₹7,296

In this example, your five First-Line Brand Partners have each invited five people to join and trained them to sell for **100 Bonus Points** during one Catalogue Period. You sell for **100 Bonus Points** too.

*A Leg is made up of a First-Line Brand Partner and the Brand Partners they sponsor. Whenever you sponsor a new Brand Partner, they form a new Leg in your network, making the structure wider. When your First-Line Brand Partners bring on new Brand Partners, the structure of your network is made deeper.

Earn ₹59,736

Here, you and everyone in your Personal Group sell for **100 Bonus Points**.

3. Bonuses

Bonuses are a reward for the work you’ve done supporting, training and developing your Brand Partners to 22%.

There are six bonuses in the Success Plan. The type of bonus you earn is determined by how many 22% Split-Out Groups you have in your First Line.

The bonus percentages may seem small at first but when applied to your network*, the amount you earn can be significant.

*Network refers to all Brand Partners in your downline, including your 22% Split-Outs.

Earn bonuses by developing 22% Split-Out Groups

When your First-Line Brand Partners reach a 22% Trade Discount / Incentive level, they leave your Personal Group and become independent sub-groups together with their Brand Partners – called 22% Split-Out Groups. From this moment on, you, as a sponsor, stop earning a Incentive on the sales of these Brand Partners and instead, you begin to qualify for bonuses.

Your goal is to help as many of your First-Line Brand Partners as possible to reach the 22% Trade Discount / Incentive level.

See the chart below, and learn more about bonuses in the following chapters.

Oriflame Bonuses		
Bonus	22% Split-Out Groups needed in 1st Line	Earned on
5% Oriflame Bonus	1	1 st Line 22% Split-Out Groups only
2% Gold Bonus	2	2 nd Level 22% Split-Out Groups and down, stopping at the First Line of the next Gold Bonus qualifier
1% Sapphire Bonus	4	3 rd Level 22% Split-Out Groups and down, stopping at Second Level of the next Sapphire Bonus qualifier
0.50% Diamond Bonus	6	4 th Level 22% Split-Out Groups and down, stopping at Third Level of the next Diamond Bonus qualifier
0.25% Double Diamond Bonus	10	5 th Level 22% Split-Out Groups and down, stopping at Fourth Level of the next Double Diamond Bonus qualifier
0.125% Executive Bonus	12	6 th Level 22% Split-Out Groups and down, stopping at Fifth Level of the next Executive Bonus qualifier

4. Cash Awards

Whenever you reach a new title in the Success Plan, you receive a one-time Cash Award starting at ₹50,000 (Director) and rising to ₹5,00,00,000 (Diamond President Director).

Manager Team

Support your Brand Partners and succeed together

The Manager level is an important step in your career with Oriflame, as you move from working mainly on your own to sponsoring others and helping them to fulfil their goals and dreams.

You help your new Brand Partners to get started, train and support them in their work, and inspire them to reach higher goals. But it's important to lead by example and continue to be active and sell and recruit new Brand Partners yourself. Everything you do – from selling to prospecting and recruiting – you want your Brand Partners to duplicate, because when they succeed, you do too.

Always remember that your Sponsor and Upline Director are there to support you in your role as Independent Oriflame Manager, and so are the employees at Oriflame.

Benefits of being a Manager

There are many benefits to being an Independent Oriflame Manager. In addition to increasing your earning potential, you can meet colleagues in the Oriflame beauty community, attend trainings to learn new professional skills – and receive all the support you need to continue to succeed and achieve even greater results.

Some specific things you can look forward to:

- You will be recognised on stage to celebrate your new title and awarded a diploma and a unique pin to wear that distinguishes you as a Manager.
- You will be eligible to attend professional training programmes, such as Leadership Academy 1 and S-SARPIO Trainings, which are designed to help you deepen your business knowledge and advance as an entrepreneur and Manager.
- You may also qualify to attend Manager Seminars and conferences and other incentive programmes that are available locally.

 - Directors' Seminar*

*Qualification to Seminar and Conferences will depend upon local Criterias defined or communicated from time to time.

For the purpose of these examples:
1 Bonus Point = ₹38 Business Volume.

Example 1: Balanced structure

Total Bonus Points:
200 (you) + 300 (Leg A) + 300 (Leg B) + 400 (Leg C)
= 1 200 BP. Your level is 9%.

Your Total earnings:
 $9\% \times 200 \times 38 + (9\% - 3\%) \times 300 \times 38 + (9\% - 3\%) \times 300 \times 38 + (9\% - 3\%) \times 400 \times 38 = 684 + 684 + 684 + 912 = ₹2964$

Example 2: Unbalanced structure

Total Bonus Points:
200 (you) + 200 (Leg A) + 300 (Leg B) + 1200 (Leg C)
= 1 900 BP. Your level is 9%.

Your Total Earnings:
 $9\% \times 200 \times 38 + (9\% - 3\%) \times 200 \times 38 + (9\% - 3\%) \times 300 \times 38 + (9\% - 9\%) \times 1200 \times 38 = 684 + 456 + 684 + 0 = ₹1824$

Earning as a Manager

When you become an Independent Oriflame Manager, your earnings no longer depend solely on the Immediate Profit you earn from your Personal Sales.

Now you can begin to earn a Trade Discount & Incentive ranging from 3% to 22% based on your Personal Sales and Group Sales respectively.

It's important to know that the structure of your Personal Group will influence your earnings. To maximise your Earnings, be sure sales are distributed across several Legs in your Personal Group. Avoid depending on just one Leg.

Building a balanced structure

The examples to the left show how a balanced and unbalanced structure can affect your earnings.

In Example 2, even though you have more Bonus Points than in Example 1, you earn less. This is because **Leg C has reached the same level as you, 9%**, and you will not earn incentive on Leg C as the difference between your levels will be 0%.

KEY ACTIVITIES FOR SUCCESSFUL MANAGERS

Prospecting and recruiting

Developing good prospecting and recruitment skills is essential for success and will help your business to grow.

- ✓ Expand your own Name Bank/ Contact List and ask new Brand Partners to create theirs during the **Getting Started training or the Steps for Onboarding Journey**. Train your Brand Partners to start with the contact lists in their mobile phones, social media and recommendations from friends – and tell them to ask the question, “Who do I know who would like to see new Oriflame products and hear about the great income opportunities?”

- ✓ Speak with at least three new people every day. The more the better, but not fewer than three. Tell them about Oriflame, the products and the Oriflame Opportunity. Make speaking with three people a day a goal in your entire network by teaching your Brand Partners to do the same. Remember – you’re a role model, and if you prospect every day, your Brand Partners will too.

- ✓ Organise Opportunity Meetings 2–3 times a week. It’s important to hold these on a regular basis so your Brand Partners will know when and where to bring their prospects. Conduct the Getting Started training at the end of each meeting. Activate newcomers by encouraging them to place their first orders – and be sure to invite them to the next meeting or training session.

Tip for Opportunity Meetings and strengthening your Core Team

Involve your Core Team in Opportunity Meetings. You can invite them to hold part of the Oriflame Opportunity Presentation or to prepare product displays. This is a good way to share practical knowledge and to teach your Core Team how to run meetings of their own. Read more about your Core Team on page 42.

KEY ACTIVITIES FOR SUCCESSFUL MANAGERS

Following up and activating your Brand Partners

It's important that your Brand Partners are active and place orders every Catalogue Period.

- ✓ Stay in touch with your Brand Partners – ask about their sales and recruitment. Mention new products and offers, and invite them to events and trainings.
- ✓ Contact any Brand Partners who did not place orders in the last Catalogue Period and ask why they've been inactive. Inform them about offers and incentive programmes – and invite them to join your group chats in social media.
- ✓ Promote e-learning modules that will help your Brand Partners develop their selling and recruitment skills.
- ✓ Create chat groups in social media. Use the groups to recognise your Brand Partners' achievements – like placing first orders, recruitment and reaching new titles. You can also share success stories to keep motivation high, and post interesting information about products and offers. Consider creating chat groups for customers too.

3

KEY ACTIVITIES FOR SUCCESSFUL MANAGERS

Form and lead a Core Team

A Core Team consists of at least five Brand Partners who have decided to go beyond the selling opportunity and want to become Leaders.

Teamwork makes work more fun and more effective – and experience has shown that using the Core Team concept to develop Leaders **will help you grow faster**, so it's important to put a big effort here.

To form your Core Team, tell your Brand Partners of your plans and **invite everyone who's interested in growing to be part of your Core Team**. Explain the benefits of working and growing together, such as prospecting and recruiting together, attending special trainings, participating in special events for Core Teams – and not least of all, providing mutual support and helping one another to reach individual goals.

It's important to know that the **members in your Core Team may come from any level of your Personal Group**, not only your First Line. **Motivation and commitment** should be the only criteria.

Every Core Team decides it's own rules and responsibilities. You should discuss and establish these together in a meeting with your Core Team, and be sure every member agrees. The aim is to **make activities and responsibilities clear**, and to be sure everyone works together towards the same goal – continuing to grow and succeed.

Always remember to lead by example and perform the activities you've established with your Core Team. This will prepare your Core Team to eventually lead teams of their own and duplicate all the essential activities you've performed as a Manager.

What to think about when leading your Core Team:

- ✓ Share your vision, goals and commitment.
- ✓ Train your Core Team in the skills that are essential for business growth, such as prospecting, recruiting, sponsoring and presentation skills.
- ✓ Hold prospecting and recruitment activities together by delegating tasks to your Core Team members.
- ✓ Set short- and long-term goals together and follow-up on results and progress.
- ✓ Recognise achievements. Your Core Team members are part of your Core Team because they want to grow and succeed with Oriflame and every achievement is worth celebrating!

The benefits of being a Director

As an Independent Oriflame Director, you will not only begin to enjoy higher earnings as your business grows – you will also have the chance to travel to dream destinations and receive Cash Awards.

Some specific things you can look forward to:

- Recognition and a unique pin for each Director title you reach.
- One time Cash Awards – from ₹50,000 to ₹2,00,000 for reaching each new title in the Director Team.
- Possibility to qualify for the annual international Gold Conference.
- Possibility to participate in Leadership Academy 2 as well as local trainings in your region.
- Possibility to participate in local events and conferences.
- Possibility to earn bonuses based on the number of 22% Split-Out Groups in your First Line.

Earning as a Director

You're now eligible to earn through all four ways in the Oriflame Success Plan - Immediate Profit, Trade Discount/ Incentive, Bonuses and Cash Awards.

Bonuses begin to make up the most significant part of your income starting from the Director title and up, so it's important to learn how Oriflame bonuses work and how you can use them to maximise your earnings.

Bonuses

There are three bonuses you can earn in the Director Team – the 5% Oriflame Bonus, 2% Gold Bonus and 1% Sapphire Bonus. The bonus you qualify for is determined by the number of 22% Split-Out Groups you have in your First Line, and not by the title you hold.

As you can read in Chapter 2, when your First-Line Brand Partners reach the 22% Trade Discount / Incentive level, they split out from your Personal Group – and their groups become 22% Split-Out Groups. At this point, you stop earning Incentive from the group sales of these Brand Partners and start earning bonuses based on their sales.

Bonuses and your network

The 5% Oriflame Bonus is paid on your First Line, but all other bonuses – starting with the 2% Gold Bonus – can be paid in depth, from below their starting level until there is a group generating the bonus for another qualifier on a lower level.

Minimum Guarantee

The Minimum Guarantee is a bonus adjustment and a way to ensure that everyone in a network is rewarded fairly for their efforts in sponsoring Brand Partners and helping them to become Leaders.

When the minimum amount of Bonus Points required to qualify for a full bonus is not met by a bonus qualifier, an adjustment is made that distributes part of that bonus up to the next qualifier of the same bonus.

Using the 5% Oriflame Bonus as an example, if you have:

- 10,000 Bonus Points or more in your Personal Group, you earn the full bonus.
- 4,000 – 9,999 Bonus Points in your Personal Group, you earn part of the bonus and the remainder passes up to the next 5% Oriflame Bonus qualifier.
- Less than 4000 Bonus Points, you don't qualify for the bonus at all if you have only one 22% Split-Out Group.

To learn more about how the Minimum Guarantee works with bonuses, see page 112.

Three general rules apply to qualify for any bonus

You must have at least:

- **One 22% Split-Out Group** in your First Line
- **200 Bonus Points** in your Personal sales
- **4,000 Bonus Points** in your Personal Group sales*

*If you have at least two 22% Split-Out Groups in your First Line, there is no Personal Group sales requirement. However, the Minimum Guarantee still applies.

Requirements:

- Personal sales:** At least 200 Bonus Points
- Personal Group sales:** At least 4,000 Bonus Points
- 1st Line 22% Split-Out Groups:** 1

Minimum Guarantee: The Bonus Points of your Personal Group must be at least 10,000 for you to earn the full 5% Oriflame Bonus. If under, the Minimum Guarantee rule applies and part of the bonus is passed up to the next 5% Oriflame Bonus qualifier. Read about how the Minimum Guarantee works on page 52.

5% Oriflame Bonus

The 5% Oriflame Bonus pays you 5% on the Business Volume of the 22% Split-Out Groups in your First Line.

For the purpose of these examples:
1 Bonus Point = ₹38 Business Volume.

You have one 22% Split-Out Group in your First Line, represented by A in the example. You will earn the 5% Oriflame Bonus on A's Business Volume.

Your 5% Oriflame Bonus earnings:
 $5\% \times 10,000 \times 38 = ₹19,000$

Requirements:

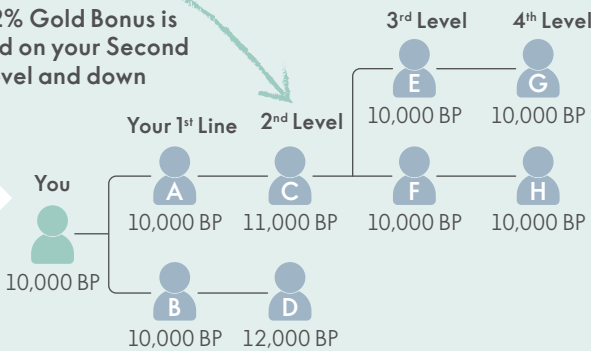

- Personal sales:** At least 200 Bonus Points
- 1st Line 22% Split-Out Groups:** 2
- Atleast one 22% Split-Out at Second Level

Minimum Guarantee: The Bonus Points of the 22% Split-Out Groups in your First Line must be at least 10,000 for you to earn the full 2% Gold Bonus. If under, the Minimum Guarantee rule applies and part of the bonus is passed up to the next 2% Gold Bonus qualifier. Read about how the Minimum Guarantee works on page 52.

2% Gold Bonus

The 2% Gold Bonus pays you 2% on the Business Volume of all 22% Split-Out Groups in your Second Level and all Levels below, stopping at the first Level of the next 2% Gold Bonus qualifier.

The 2% Gold Bonus is earned on your Second Level and down

You will earn the 2% Gold Bonus on C, D, E and F. You don't earn the 2% Gold Bonus on G and H. This is because the same bonus can never be paid twice on the same sales, and C is already qualified to earn the 2% Gold Bonus on G and H.

Your 2% Gold Bonus earnings:
 $2\% \times (11,000 + 12,000 + 10,000 + 10,000) \times 38 = ₹32,680$

Note: You will also earn the 5% Oriflame Bonus (₹38,000), making your total bonus earnings in this example $₹32,680 + ₹38,000 = ₹70,680$

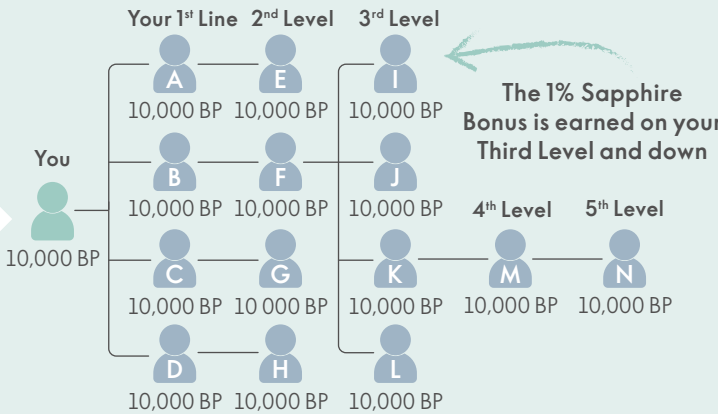

Requirements:

- Personal sales:** At least 200 Bonus Points
- 1st Line 22% Split-Out Groups:** 4
- Atleast one 22% Split-Out at Third Level

Minimum Guarantee: The Bonus Points of the 22% Split-Out Groups in your Second Level must be at least 10,000 for you to earn the full 1% Sapphire Bonus. If under, the Minimum Guarantee rule applies and part of the bonus is passed up to the next 1% Sapphire Bonus qualifier. Read about how the Minimum Guarantee works on page 52.

1% Sapphire Bonus

The 1% Sapphire Bonus pays you 1% on the Business Volume of all 22% Split-Out Groups in your Third Level and all Levels below, stopping at the second Level of the next 1% Sapphire Bonus qualifier.

You will earn the 1% Sapphire Bonus on the Business Volume of I, J, K, L and M. You will not earn the bonus on N, since F has also qualified for the 1% Sapphire Bonus and will earn that on N.

Your 1% Sapphire Bonus earnings:
 $1\% \times (10,000 + 10,000 + 10,000 + 10,000 + 10,000) \times 38 = ₹19,000$

Note: You will also earn the 5% Oriflame Bonus (₹76,000) and the 2% Gold Bonus (₹60,800) in this example, making your total bonus earnings in this example $₹76,000 + ₹60,800 + ₹19,000 = ₹1,55,800$

Note: Income shown is only indicative in nature and actual income may vary based on your width, depth and productivity of your Group as per the Success Plan

Three key activities for successful Directors

1 Prospecting and recruiting

2 Activating your network

3 Developing your Core Team and Managers

KEY ACTIVITIES FOR SUCCESSFUL DIRECTORS

1 Prospecting and recruiting

Recruitment is the essence of your business and should be your main focus. Continue to recruit new Brand Partners yourself – and run prospecting and recruitment activities together with your Core Team.

Specific activities:

- ✓ Remember to be a role model – promote recruitment as a daily habit and set an example with your own behaviour.
- ✓ Check in with your Managers to be sure they duplicate your efforts by regularly prospecting and recruiting new Brand Partners together with their Core Teams.
- ✓ Work with your Core Team to set up recruitment targets for each Catalogue Period, discuss recruitment action plans and support their recruitment meetings
- ✓ Remind Sponsors and Leaders to run Getting Started for their newcomers after every recruitment meeting and promote the First 90 Days Steps for Onboarding.

2

KEY ACTIVITIES FOR SUCCESSFUL DIRECTORS

Activating your network

Events, meetings and trainings are important ways to keep Brand Partners active and motivated, and can have a big impact on the success of your business.

Most Brand Partners join Oriflame without any special skills or previous knowledge – so identifying your Brand Partners' training needs is crucial in your role as Director.

Conduct these on a regular basis for your Personal Group:

- ✓ **Catalogue launch meetings**
Hold offline or online meetings on the last or first week of a Catalogue Period. Use it to launch new products, programmes and special offers and recognise Brand Partners for their achievements.
- ✓ **Beauty and Wellness events**
Organise events (both online and offline) for your Brand Partners and their customers, and use these to launch new products, promote beauty and Wellness routines, recognise loyal customers and Brand Partners.
- ✓ **Trainings**
Be sure everyone receives the product and business trainings they need to progress and succeed in their career with Oriflame.
- ✓ **Targeted group chats**
Create chat or closed social media groups to share information that's specifically relevant to different groups of Brand Partners. One example is a How to Get Started group for newcomers.

Tip – Involve your Managers in all your events...

...it's an excellent opportunity for them, to train their skills and learn by doing. Discuss the event's plan of action and delegate tasks – such as organising the reception, preparing recognition list and gifts, participating in the presentation of new products or the Oriflame Opportunity, giving testimonials or running parts of trainings.

Keep expanding your Core Team by bringing in new Brand Partners that you believe have the potential to build their business. You already know how to form and lead a Core Team – your role now is to be a Manager of Managers and develop new Directors.

- ✓ Keep your Managers motivated and focused on continued growth, and train them to perform the tasks of their Manager role. Encourage them to attend special trainings for Managers – Leadership Academy 1 – and organise regular trainings offline or online for the Managers in your network.
- ✓ Organise weekly Business Planning Sessions with your Managers. Use these sessions to set long- and short-term goals together, discuss action plans to achieve them, follow up results, recognise achievements and share best practice.
- ✓ Support your Managers by attending their recruitment meetings and events to share your success story and the story behind the company and products.
- ✓ Keep in touch with your Managers on a regular basis – follow up on their progress, give them feedback and continue to train their essential skills.

Three key activities for successful Diamond Directors

1

Recruiting, activating and
developing new Leaders

2

Leading Leaders

3

Being a role model for your entire
network

1

KEY ACTIVITIES FOR SUCCESSFUL DIAMOND DIRECTORS

Recruiting, activating and developing new Leaders

In order to grow and strengthen your business, it's important that you continue to both prospect and recruit new Brand Partners to your Personal Group and develop new Leaders – exactly as you have done before.

- ✓ Conduct recruitment meetings regularly to bring in new Brand Partners to your network.
- ✓ Activate your entire network by holding meetings to launch company news, running trainings and keeping up to date in your communication channels.
- ✓ Continue to develop new Leaders by arranging trainings, setting targets, following up on their progress and recognising them for their achievements.

2

KEY ACTIVITIES FOR SUCCESSFUL DIAMOND DIRECTORS

Leading Leaders

As a Diamond Director, you should not only focus on supporting the Brand Partners in your Personal Group, but on supporting the Leaders in your entire network – and helping Directors to succeed and reach higher titles.

- ✓ Plan and execute events for your entire network, such as:
 - Business events with company news, offers, apps, conferences and seminars.
 - Fun, motivational events and activities that create a sense of belonging. Always remember to recognise Brand Partners for their achievements on these occasions.
- ✓ Plan and execute product and business trainings for your entire network.
- ✓ Support and continue to develop Leaders in your network – organise Business Planning Sessions (BPS) regularly, coach Directors and follow up on their progress. Check that they have set short- and long-term goals and have the skills and knowledge they need to reach them.

3

KEY ACTIVITIES FOR SUCCESSFUL DIAMOND DIRECTORS

Being a role model for your entire network

You've reached a level of leadership that makes you an example for others to follow and emulate. You can achieve even greater success yourself by sharing your knowledge to develop and motivate your entire network, and by coaching others in their ambition to succeed.

- ✓ You set the example for Leaders to follow. Continue to do all the things that have made you successful and your Leaders will see and do the same.
- ✓ Be an ambassador for Oriflame, and educate your network on the Oriflame culture, values and history.
- ✓ Inspire and motivate others and show them what success looks like – so they will have a realistic picture and know what they're working towards.

Aim for even more

Keep developing your business to reach higher and join the Executive Team, where you will be eligible for trips to international conferences three times a year, larger Cash Awards, and international recognition.

"That our experience is in demand. We're invited to share our experiences and we're happy to contribute to someone else's growth."

Olga and Victor Kukushov

The Executive Team will bring you even more benefits – Cash Awards totalling ₹66,00,000, exclusive conferences around the world, pins and international recognition are just some of them.

This level of success also makes you a role model not only to your own Personal Group, but for all Oriflame Brand Partners and Leaders in your entire network. And as your network grows larger, your role becomes more important – you are a Leader of Leaders and an ambassador for Oriflame, our culture, the products and our values.

To achieve the titles in the Executive Team you will need to leverage your skills, knowledge and experience by developing Gold Legs in your network. A Gold Leg is a Leg with a Brand Partner on any level, with two or more 22% Split-Out Groups.

*Bonuses are not dependent on the title you hold. They are determined by the number of 22% Split-Out Groups in your First Line. Read more on pages 52 and 108–113.

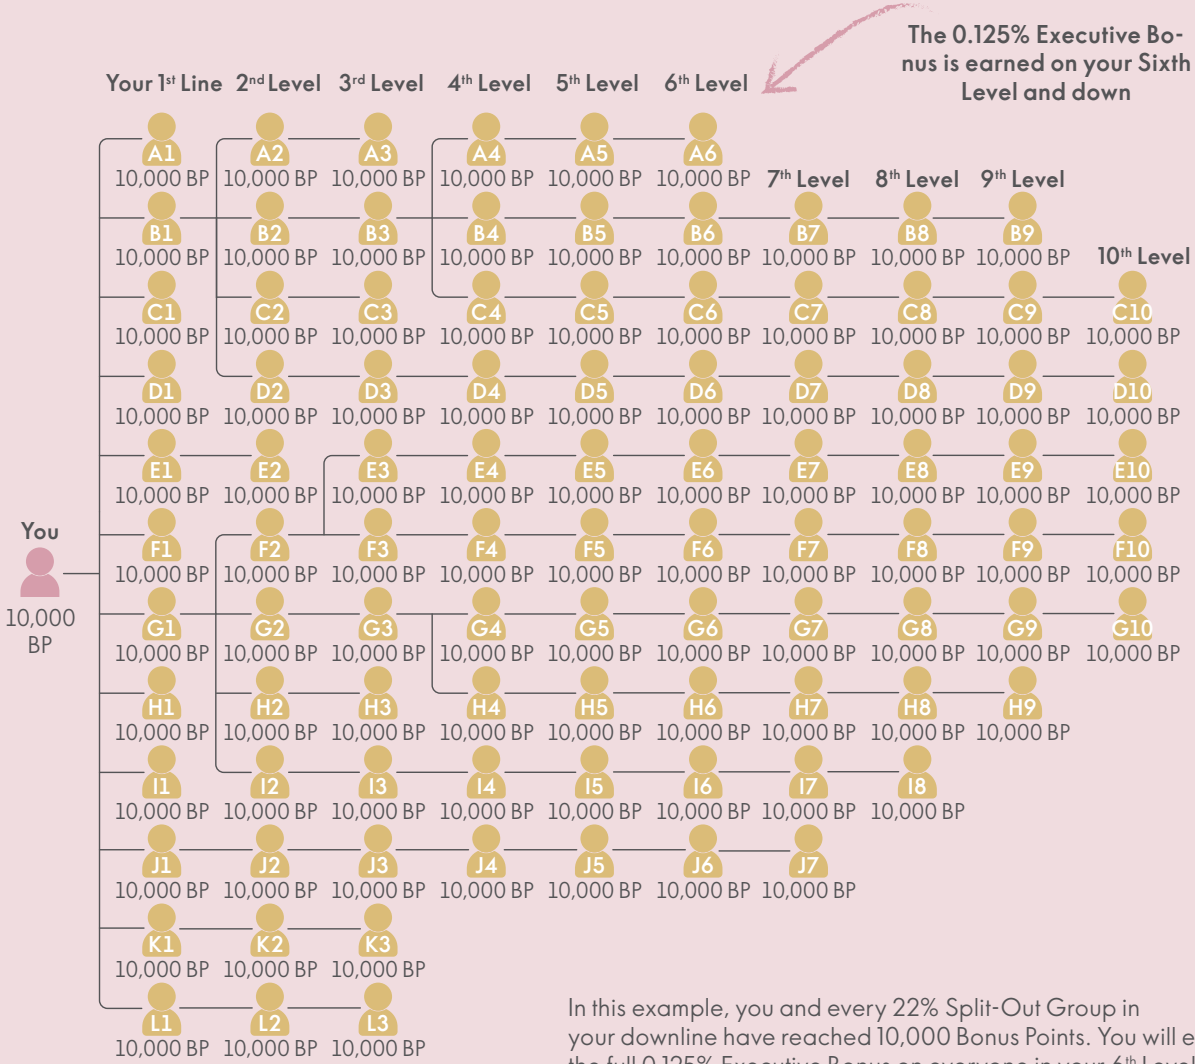

**As per Gold, Diamond and Executive Conference Criteria communicated time to time

A Gold Leg is a Leg with a Brand Partner on any level, with two or more 22% Split-Out Groups.

Requirements:
Personal sales: At least 200 Bonus Points
1st Line 22% Split-Out Groups: 12
Atleast one 22% Split-Out at the Sixth Level
Minimum Guarantee: The Bonus Points of the 22% Split-Out Groups in your Fifth Level must be at least 10,000 for you to earn the full 0.125% Executive Bonus. If the Minimum Guarantee rule applies, part of the bonus is passed up to the next 0.125% Executive Bonus qualifier. Read about how the Minimum Guarantee works on page 52.

0.125% Executive Bonus

The 0.125% Executive Bonus pays you 0.125% on the Business Volume of all 22% Split-Out Groups in your Sixth Level and all Levels below, stopping at the Fifth Level of the next 0.125% Executive Bonus qualifier.

In this example, you and every 22% Split-Out Group in your downline have reached 10,000 Bonus Points. You will earn the full 0.125% Executive Bonus on everyone in your 6th Level: A6 – J6, 7th Level: B7 – J7, 8th Level: B8 – I8, 9th Level: B9 – H9 and 10th Level: C10 – G10.

Your 0.125% Executive Bonus earnings:
0.125% x 38 x 10,000 x 39 = ₹18,525

Note: You will also earn the 5% Oriflame Bonus (₹2,28,000), 2% Gold Bonus (₹1,44,400), 1% Sapphire Bonus (₹60,800), 0.50% Diamond Bonus (₹1,12,100) and 0.25% Double Diamond Bonus (₹46,550) making your total bonus earnings in this example 2,28,000 + 1,44,400 + 60,800 + 1,12,100 + 46,550 + 18,525 = ₹6,10,375

Income shown is only indicative in nature and actual income may vary based on your width, depth and productivity of your Group as per the Success Plan

The four ways of earning with Oriflame

*Bonus Point Conversion Chart:

Bonus Points	Trade Discount/Incentive level
10,000+	22%
6,600 – 9,999	18%
4,000 – 6,599	15%
2,400 – 3,999	12%
1,200 – 2,399	9%
600 – 1,199	6%
200 – 599	3%
0-199	0%

**** For the purpose of these examples:
1 Bonus Point = ₹38 Business Volume.**

STARTING OUT Immediate Profit

You earn an Immediate Profit by selling products. The profit is either calculated as 20% of a product’s Catalogue Price or by subtracting the Brand Partner Price from the Catalogue Price.

Immediate Profit example:

You sell one NovAge Ecollagen Wrinkle Power set. How much will you earn?

Customer Price: ₹7,900
Brand Partner Price: ₹6,320

Immediate Profit earnings:
₹7,900-₹6,320 = ₹1,580
₹7,900*20% = ₹1,580

SPONSORING OTHERS Trade Discount & Incentive

You can earn Trade Discount of 0–22% on your own Business Volume and Incentive from your Personal Group. The percentage level is determined by how many Bonus Points you have accumulated.

Trade Discount & Incentive example:

The total Bonus Points for your Personal and Group Sales during a Catalogue Period is 5,000 BP, this qualifies you for an 15% Incentive level*. You earn 15% on your Personal Sales (Business Volume) and incentive on your First Line.

Trade Discount on Personal Sales: 15% x 100 x 38 = ₹570
Incentive on Group Sales: ₹2,052 + ₹3,420 + ₹3,192 = ₹8,664
Total Earnings: ₹570 + ₹8,664 = ₹9,234

DEVELOPING LEADERS Bonuses

By training, coaching and developing your Brand Partners, you can help them reach the 22% level. At this point, they may become 22% Split-Out Groups and you can start to earn bonuses on their Business Volume.

Bonus example:

You have developed two 22% Split-Out Groups in your First Line. Both you and the two 22% Split-Out Groups have reached 10,000 Bonus Points and you will earn the 5% Oriflame Bonus based on these results.

5% Oriflame Bonus earnings:
5% x 10,000 x 38 x 2 = ₹38,000

REACHING NEW TITLES Cash Awards

You will receive a one-time Cash Award each time you reach a new title, starting with the title of Director. See specific team chapters for details about the title qualifications within the team, or page 134 for an overview of all title qualification requirements.

Cash Award example:

You have reached the title of Director for the first time by fulfilling the title requirements:

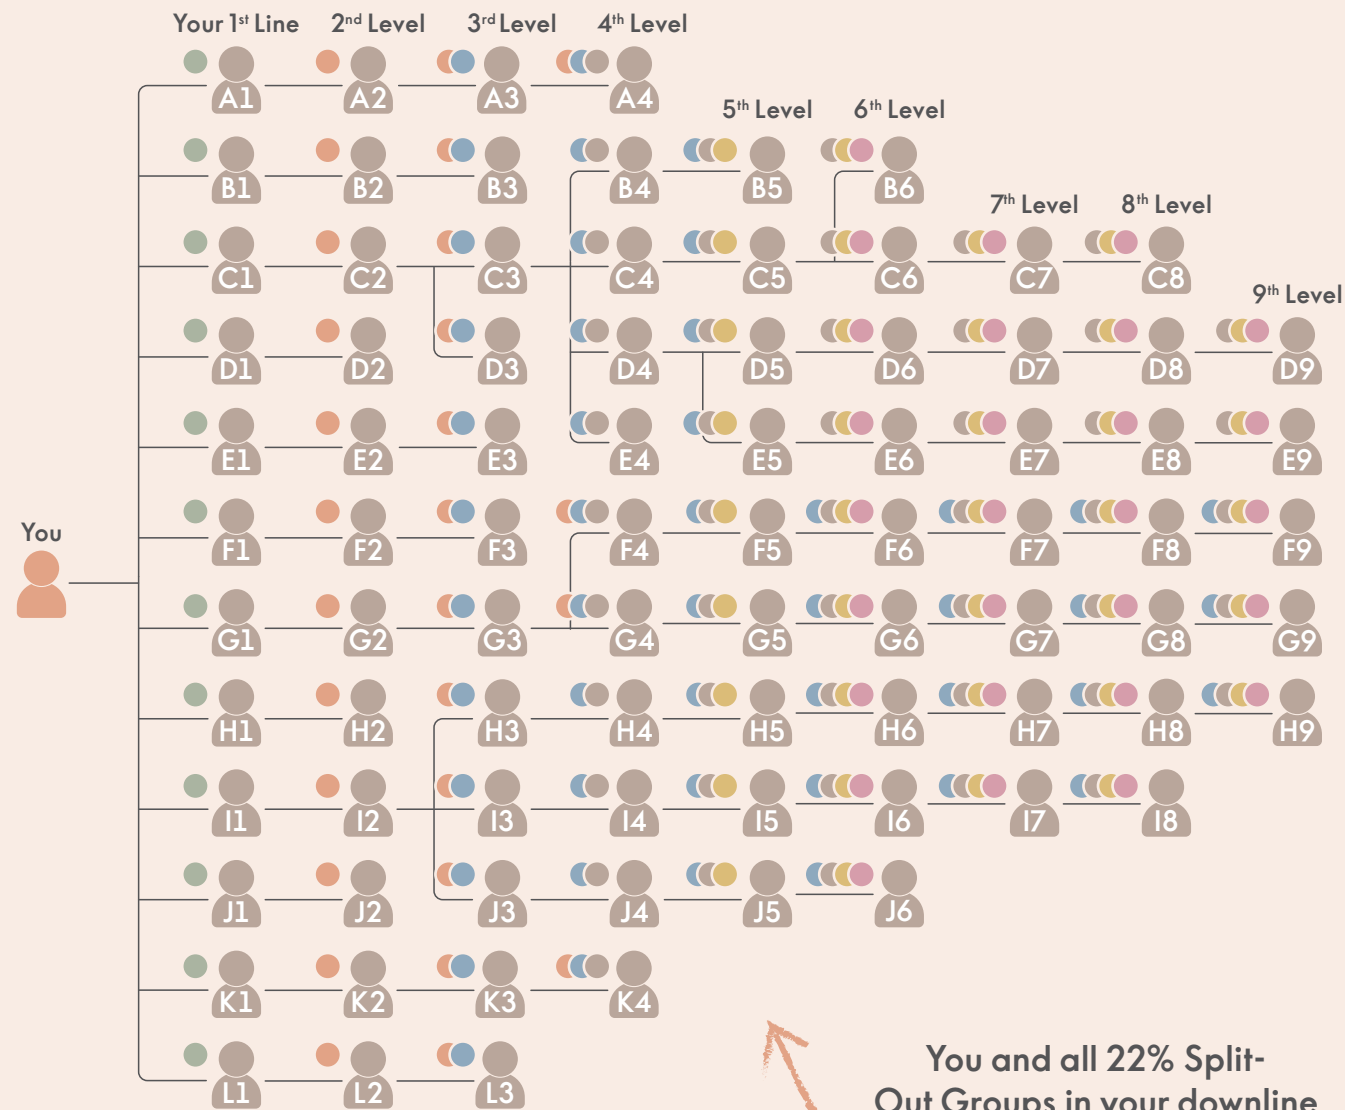

At least 10,000 BP in your Personal Group, or 1 or more 22% Split-Out Groups in your First Line and at least 4000 BP in your Personal Group or 2 or more 22% Split-Out Group for 6 out of 12 Catalogue Periods.

Note: Income shown is only indicative in nature and actual income may vary based on your width, depth and productivity of your Group as per the Success Plan

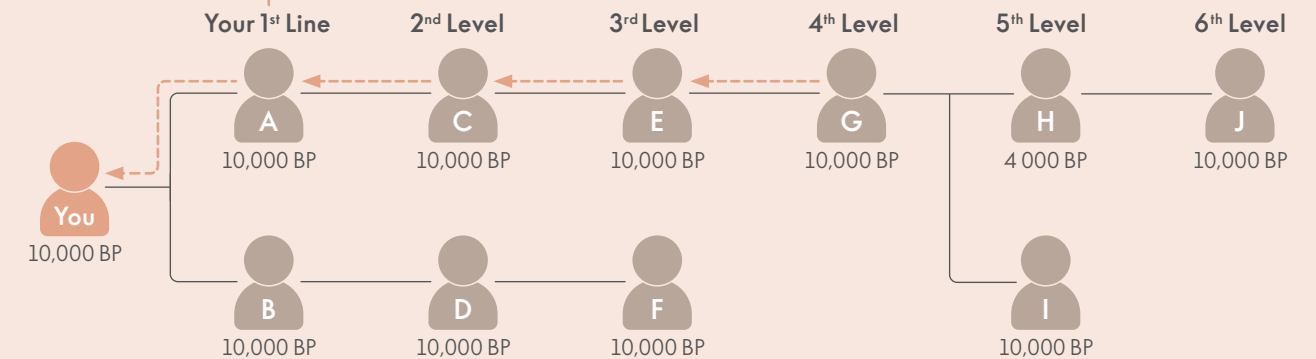

Minimum Guarantee:

For the 2% Gold Bonus, your First Line 22% Split-Out Groups must have at least 10,000 Bonus Points for you to earn the full 2% Gold Bonus on their downlines.

The 2% Gold Bonus is earned on your Second Level and down

For the purpose of this example:
1 Bonus Point = ₹38 Business Volume.

The Minimum Guarantee and bonuses

Bonuses are a reward for developing Leaders in your network.

When the minimum amount of Bonus Points required to qualify for a full bonus is not met by a bonus qualifier, an adjustment is made that distributes part of that bonus up to the next qualifier of the same bonus. This is called the Minimum Guarantee.

The Minimum Guarantee is a way to ensure that everyone in a network is rewarded fairly for their efforts in sponsoring Consultants and helping them to become Leaders. The Minimum Guarantee helps avoid situations where a low performer in your network (someone who does not maintain 10,000 BP in their Personal Group) profits from the work you have done to train and develop Leaders in deeper levels in your network.

How the Minimum Guarantee works

The Minimum Guarantee is applied to either your Personal Group or to specific levels in your network, depending on the bonus. See the Bonus Overview on pages 108-109 for details about which level the Minimum Guarantee applies to for each bonus.

To earn a full bonus, a bonus qualifier must have a minimum of 10,000 Bonus Points in either their Personal Group or in the 22% Split-Out Groups in the specific level that applies. If the bonus qualifier falls short of the Bonus Point requirement, part of the bonus passes up to the next qualifier.

Example: The Minimum Guarantee and the 2% Gold Bonus

Using the network structure and Bonus Points above, let's calculate your 2% Gold Bonus earnings. Remember, the 2% Gold Bonus is earned on your Second Level 22% Split-Out Groups and down, stopping at the First Line of the next 2% Gold Bonus qualifier.

1. You will earn the 2% Gold Bonus on C, D, E, F, G, H and I. You will not earn it on J, as G is a qualified 2% Gold Bonus earner as well and will earn that Bonus on J.
2. The combined Bonus Points for C, D, E, F, G, H and I is 10,000 + 10,000 + 10,000 + 10,000 + 10,000 + 4,000 + 10,000 = 64,000.
3. 64,000 Bonus Points = 64,000 x 38 = 24,32,000. Your 2% Gold Bonus Earnings will be 2% x 24,32,000 = ₹48,640

But there's more to the story. As you can see, H has not reached 10,000 Bonus Points, which means that the Minimum Guarantee will be applied in your favour.

Minimum Guarantee:

For the 2% Gold Bonus, the Minimum Guarantee applies to the First Line of the bonus earner. G is the first qualified 2% Gold Bonus earner in your downline and H and I form G's First Line. Since your First Line, consisting of A and B, have the minimum 10,000 Bonus Points required, you are guaranteed to earn the full 2% Gold Bonus.

But remember – H has not fulfilled the Bonus Point requirement. So, let's see how the Minimum Guarantee will compensate you for G's shortcoming in developing H to reach 10,000 Bonus Points.

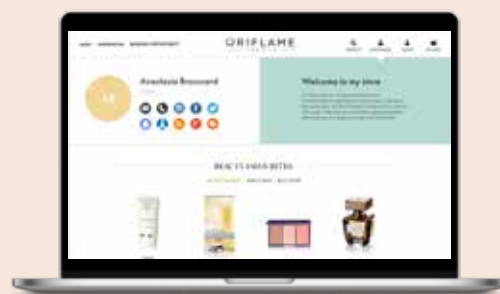

1. G's 2% Gold Bonus earnings on J are 7,600 (10,000 x 38 x 2% = ₹7,600).
2. You are guaranteed to earn the same amount (₹7,600) on H. But your actual earnings on H are 2% x 4,000 x 38 = ₹3,040, which means that you are missing 7,600 - 3,040 = ₹4,560
3. ₹4,560 will be taken from G's earnings on J and passed up to you to guarantee you earn the full 2% Gold Bonus.

Your total Gold Bonus earnings: ₹48,640 + 4,560 = ₹53,200

SOCIAL MEDIA PLATFORMS

Here you'll find an overview of the most widely used global social media platforms. We have also added suggestions for how to communicate, sell and recruit in these channels.

Facebook: Facebook is a key channel for sharing your personal story with photos, videos and information. We recommend that you integrate Oriflame in a natural way - sharing your life, testimonials and the products you love. These are the best things to share on Facebook: your own photos, Beauty EDIT articles, videos, personal advice, and reviews of Oriflame products. Facebook is a channel where engagement is rewarded, so make sure you ask questions, respond to comments and check your profile regularly.

Instagram: Being one of the world's most popular photo sharing apps, Instagram is a key channel to help you recruit and sell. These are the best things to share on Instagram: photos of your everyday life, photos of you from Oriflame events and conferences you attend, Official Oriflame products, and personal style and beauty tips. Instagram is all about authenticity, so keep the tone personal and focus on “real” moments from your own life. Mix those with Oriflame photos that you share from Official Oriflame accounts. Cherry pick the ones that will support your sales and recruitment goals.

YouTube: YouTube is huge for younger generations, and can be a great channel to reach new audiences. Here you can showcase Oriflame products, share official tutorials created by Oriflame, and create your own “how to” videos. The “vlogging” (video blogging) trend has made YouTube the place to go if you want to learn a new skill, like “how to do a cat eye”. Jump on the trend, and provide your network (and potential new customers) with inspiring and informative videos of your own!

Pinterest: Pinterest is a great tool to curate inspirational images and videos into different boards. It's also a platform that generates sales, since you can link photos you upload to a website or blog. These are the best things to pin on Pinterest: quotes, beauty and wellness photos, tutorials and Oriflame product images through sharing function. You can also upload your own photos. We say - get pinning!

Snapchat: Create a strong bond with your network by sharing your daily life on Snapchat. These are the best things to share on Snapchat: photos and videos of products (both the packaging and you using them), tutorials, testimonials, and generally anything that is happening in your life. Snapchat is especially good for events and conferences.

Twitter: Twitter is ideal to build a community, talk to your network and to drive traffic to a website or blog. These are the best things to share on Twitter: quick news and updates, reviews, offers and Oriflame approved facts and photos.

WhatsApp: WhatsApp is a multi-purpose platform that started as a call and instant-messaging app. It's most useful as a tool to manage and grow your network, find new customers and to build a strong community. These are the best things to share on WhatsApp: quick updates, success stories, motivational messages, product news and reviews etc.

BLOGGING GUIDELINES AND TIPS

- 1. Be the Expert:** Select a topic that you're passionate about - the best bloggers find a niche and stick to it. Make sure that the subject you blog about, is relevant to your goal: if you want to sell beauty products, start a beauty blog; if you want to expand your network, focus on your lifestyle.
- 2. Schedule:** Blogs need to be updated regularly – at a minimum, once a week. Create a schedule and plan for posts. Try to publish blog posts on the same day each week, so that your followers know when to expect new content.
- 3. Images and Videos:** Blogs should be visual, so publish your own photos to support articles. There's a clear shift from written content to photos and video, so consider filming short clips to support your blog, or start v-logging on YouTube.
- 4. Converse:** Engage your audience in conversations. Take into account what they say, and respond in a professional and friendly manner. Remember to keep your cool if you receive critical comments!

Stay transparent by not deleting comments you disagree with, but do use a feedback filter or comment moderation tool to monitor and control comments, and delete spam.
- 5. Promote:** Social media is the best way to promote your blog. Consider the best channel to promote your blog and share post links there.
- 6. Link:** If you're promoting Oriflame products, hyperlink the product name in the text to the Oriflame website.
- 7. Be Yourself:** As with social media, the key to creating a blog is to be yourself. Keep the tone conversational and create content that's authentic.

BLOGGING POLICY

All Oriflame Brand Partners are able to set up their own personal blogs or websites. This cannot, and should not, be restricted. However, if you're going to blog as an Oriflame Brand Partners, these are the policies you must follow: First, you must always disclose your identity on the blog, to establish trust and credibility. It must be clear that the blog is personal and doesn't belong to Oriflame. It must also be clear that the views expressed on the blog are your own and not necessarily those of the company. You're not allowed to post content that links Oriflame to any political person or organisation, nor criticise other individuals or companies. You're also forbidden to post or link to any material that's obscene, defamatory, profane, libellous, threatening, abusive, hateful, or violates the privacy rights of another individual. Avoid posting any material that's copyrighted unless (a) you're the copyright owner, (b) you have written permission from the copyright owner to post the copyrighted material on your blog. This is your responsibility - Oriflame cannot provide legal support in the event of a breach.

HOW TO ENGAGE PEOPLE ONLINE

In simpler terms, engagement means that you get people to do something online. It can be liking a photos, following an Instagram account or watching

a YouTube video. But it can also be something as simple as answering a question or having a conversation. Through online conversations you can build trustworthiness, create a strong community, and spread love. Ultimately this will build your reputation as an Oriflame Brand Partners and generate sales in the long-run. Just remember to always follow the policies in this handbook and to check out our “10 Golden Rules of Social Media” before reaching out online. In the next few pages you will find examples of when to join conversations online and what to focus on.

Social Media Platforms: Social media is built around communities. Whether you are a beauty lover or a wellness junkie, there are millions of conversations happening every day. The trick is just to know when to join them. As an Oriflame Brand Partners, you should spend time identifying which communities and people are important to your strategy. Look through relevant hashtags (#) and follow accounts or groups with likeminded people. This can be anything from beauty groups, to groups about fitness or motherhood. When you see that you can contribute to a conversation (with facts and/or product suggestions), do. Just make sure that you're on topic, can add value and aren't overselling or spamming. Be helpful!

Blogs: Having your own blog is an incredible way to build a personal brand and increase your trustworthiness. Except sharing product reviews and testimonials, you can show expertise by answering comments that people leave. Just like comments on social media, you should be helpful and honest. You can afford to push products a little bit harder on your own blog, since people have actively chosen to interact with you. It's also good to identify other local, influential bloggers who talk about beauty and/or wellness. They don't have to be the most popular bloggers, but rather the most relevant to Oriflame. Here you can also add value by commenting on their posts or on other people's comments. Before you start, make sure you read the article carefully, share your expertise, and only suggest products if it's relevant to the post itself.

Vlogs: Vlogging (video blogging) is a relatively new phenomenon. On popular beauty channels (on YouTube or other video sharing platforms), vloggers publish videos discussing beauty problems and trends, or teach their communities how to use products. The comments section is a good place to share your expertise, engage the vlogger and his/her followers, or give product suggestions.

10 GOLDEN RULES OF SOCIAL MEDIA

The “Golden Rules” apply to all social media platforms and channels.

1. Listen first, and always: Listen to ongoing conversations. Who are the most influential contributors? How has the conversation changed over time, if at all? Once you have an understanding of the conversation you can add to it.
2. Contribute: Always add value to conversations. For example, offer helpful information/insights on Oriflame's products and services. The information has to be relevant. If not, it can be considered as spam – something you want to avoid at all cost!
3. Respond: If you're listening to conversations, you'll be able to identify who's talking about Oriflame. This gives you an opportunity to contribute. If you've

listened thoughtfully, and have something positive to share, your participation will be welcomed.

4. Be transparent: Tell the truth. Your honesty – or dishonesty – will be quickly noted online. Always tell people your real name and that you're an independent Oriflame Brand Partners. Be clear about your role.
5. Be real: Reveal your identity – be yourself.
6. Respect others: Remember that Oriflame's a global company whose employees, Brand Partners and customers have a diverse set of customs, values and points of view. So, be respectful. This includes obvious things (no racism, sex, violence, defamatory language etc.), but also proper consideration of privacy, and to not discuss topics like politics and religion.
7. Don't reveal proprietary or confidential information: We're happy for you to talk about your Oriflame activities and have a dialogue with your community and customers. However, it's forbidden to publish copyrighted material and information that's confidential or not yet publically available, such as future launches and campaign information. If you want to publish general information that's already available on Oriflame websites, please make sure you cite the source (source: www.oriflame.co.in 2018).
8. Avoid arguments: If you see misrepresentations about Oriflame, you can definitely disagree. Just make sure you do so with utmost respect and with facts.
9. Acknowledge and correct mistakes: If you make an error, be upfront about it and correct the mistake quickly.
10. Do not forget your primary responsibilities: You should make sure that blogging, micro-blogging, social networking etc. don't interfere with your overall goals or commitments to customers.

Oriflame Brand Partners are independent third party contractors of Oriflame and are not otherwise affiliated with Oriflame. Oriflame is not responsible or liable for the statements, acts or omissions of its Brand Partners through or in connection with their online presence, including use of social media channels. FIRST-LINE BRAND PARTNERS: The Brand Partners you recruit yourself and sponsor directly.

IMMEDIATE PROFIT (IP): What you earn from selling products. As a Brand Partners, you earn 25% Immediate Profit on your sales to customers. This is the difference between the price you sell for (the Customer Price) and what you pay for products (the Brand Partners Price).

INACTIVE Brand Partners: A Brand Partner who has not placed an order within the current Catalogue Period. A Brand Partner can be inactive 1 (placed the last order in the period prior to the current), inactive 2 (placed last order two Catalogue Periods ago), inactive 3 (placed last order three Catalogue Periods ago and who will be removed from the Registered Actives at close of current Catalogue Period unless an order is placed).

INCENTIVE: An amount you get on the volume of group sales as per success plan.

INDEPENDENT ORIFLAME Brand Partners: Often referred to as “Brand Partners.” This is the first level in the Oriflame Success Plan and defined as anyone whose Trade Discount/Incentive level is between 0% and 9%. INDEPENDENT ORIFLAME MANAGER: Often referred to as “Manager.” This expression contains levels from 12% Manager up to Senior Manager.

The adjustment distributes part of that bonus up to the next qualifier of the same bonus. The Minimum Guarantee is a way of ensuring that everyone in a network is rewarded fairly for their efforts in developing Leaders.

ORDERS PER ACTIVE: Average Number of Orders placed per Active Brand Partners in the current catalogue period.

Building an International Business

International Sponsoring

When we say that there is no limit to how large your business can grow, we really do mean it!

Oriflame offers an International Sponsoring Programme in many markets that allows you to expand your business outside your home country. You can sponsor to and from any of the countries participating in the programme.

You gain all the advantages of titles and receive as well the corresponding bonuses including any international 22% group you have built. You will receive the bonuses with one month's delay due to the global consolidation of networks.
